PROFILE

I am a passionate and innovative creative media professional with a keen interest in photography and film production. With a creative mindset and a deep appreciation for visual storytelling, I excel in capturing compelling imagery and producing engaging content. My expertise spans across various digital platforms, and I constantly seek new ways to blend technology and art to create memorable and impactful pieces.

SKILLS SUMMARY

I have developed my skills through experience in:

- Adobe suite - e.g, Photoshop, Premier Pro, Light room, etc.
- Equipment handling - e.g, Boom mic op, Gimbal & Tripod use, Sony FX30, Cannon EOS700D & Blackmagic Ursa mini pro.
- Advertising - creating and planning events and promotional material using software, e.g, Canva Pro, Photoshop & Lightroom
- Event Photography - Using professional software to edit the photos I have captured at, Public events, Music gigs and of sales products using the Cannon EOS700D,
